MEMORANDUM FOR: Maralaina Harmon

STAT FROM: [REDACTED]

Director, Foreign Broadcast Information Service

SUBJECT: Commendation

1. It has been brought to my attention that you personally made a significant contribution to the successful publication of the CPSU Program as a special supplement to the Soviet DAILY REPORT. That we were able to translate and publish such an important document in so short a time is a credit to our organization, and says a great deal about the professionalism of you and your colleagues.

STAT 2. I understand that you and [REDACTED] had to wrestle with the recalcitrant MIDAS equipment long into the night in order to produce a finished magnetic tape for delivery to P&PD. Your efforts were entirely successful and I commend your dedication and hard work.
